PROFESSIONAL SUMMARY

Bachelor of Computer Applications graduate with hands-on experience in **full-stack web development** using Python Django and **Android development** with Jetpack Compose. Seeking entry-level role to apply technical knowledge and problem-solving skills while contributing to project success.

SKILLS

Basics: Basic Computer Skills (MS Word, Excel, PowerPoint), Problem Solving Ability, Teamwork and Collaboration, Time Management, Basic Knowledge of Web Technologies, Canva (Basic Level), Python, Django

PROFESSIONAL EXPERIENCE

Final Year Project, Bluegen Solutions Dec 2025 - Jan 2026 · Opp. New Bus Stand, Calicut

- **Developed a web-based E-Commerce application** using Python Django framework.
- Implemented core features such as product listing, user registration/login, and basic order handling.
- Improved understanding of web development workflow and MVC architecture (Django structure).

Tech Labs Initiative – Android with Compose, Google Developers & ICT Academy of Kerala Oct 2023 - Oct 2023

- Participated in **Android App Development training** using Jetpack Compose.

PROJECTS

Personal Portfolio Website · HTML, CSS, JavaScript <https://github.com/muhammadsinanjk>

- Personal Portfolio Website
- A responsive personal portfolio website developed to showcase my skills, education, projects, certifications, and career profile. The website provides a modern user interface with smooth navigation and a mobile-friendly design. It highlights my technical skills and projects while creating an online presence for professional opportunities.
